

SCIENCE FOR THE BENEFIT OF HUMANITY

- If you are a Howard Hughes Institute Investigator, please check this box.*

## TECHNOLOGY DISCLOSURE FORM

The Rockefeller University Technology Disclosure Form is used to provide initial background information that allows the Office of Technology Transfer (“OTT”) to formally enter this technology into our evaluation process. We understand that not all the information requested may be immediately or readily available. Please complete where possible, then sign and return a pdf copy via email to [techtransfer@rockefeller.edu](mailto:techtransfer@rockefeller.edu), and the hardcopy to Box 138, the Office of Technology Transfer, via intracampus mail.

### 1) TITLE OF TECHNOLOGY:

### 2) CONTRIBUTOR(S) CONTACT INFORMATION:

Please list the names and academic (or other) affiliation of all persons who contributed directly to the discovery and development of the technology. Persons or third parties who provided materials, but did not make any additional contributions, should be included in Section 4 below.

Name	Affiliation	Email address

### 3) GRANT FUNDING

Please list all sponsor organizations, whether government, foundation, company or otherwise, and include the applicable contract or grant numbers involved in funding this work. Should you disclose a foundation as a funding source, you may be contacted for more specifics if there are intellectual property related obligations associated with such funding.

FUNDING AGENCY OR SPONSOR	CONTRACT OR GRANT NUMBER

- IF THERE WAS NO GOVERNMENT FUNDING, PLEASE AFFIRM BY CHECKING THIS BOX,*

**4) THIRD PARTY OBLIGATIONS**

Please list below any materials obtained from another institution or company involved with the development of this technology. This also includes those materials obtained under a Material Transfer Agreement, Sponsored Research Agreement, or any other type of agreement.

MATERIALS	MATERIALS PROVIDER

**5) DESCRIPTION OF THE TECHNOLOGY**

Please attach a description of your technology, such as a brief written summary, manuscript, slide deck or the like.

**6) PUBLICATION TIMELINE**

Please provide an approximate timeline of your plans to publicly present this work. In addition to manuscript publication, this also includes any non-confidential public disclosures such as seminars or job interviews.

I have answered these questions as fully as possible at this time.

Signature of Submitting Contributor:

\_\_\_\_\_ Date: \_\_\_\_\_  
Print name:

The foregoing technology disclosure has been brought to my attention as the head of the laboratory at The Rockefeller University where such work was wholly or partially performed.
