

The Kavli Neural Systems Institute is now accepting applications for Kavli Fellowships

Deadline for applications: March 11, 2024

A description of the scientific focus and goals of the Kavli NSI can be found online at <http://kavli.rockefeller.edu>.

Graduate Fellowship *(2-year award; 1-2 available)*

- This is a two-year appointment beginning on July 1, 2024.
- The selected candidate will join the Kavli NSI Steering Committee and will receive flexible research funds in the amount of \$5,000 per year and a salary supplement of \$5,000 per year.
- To be eligible to apply, candidates must be enrolled in the David Rockefeller Graduate Program and training in a Kavli NSI member lab on July 1, 2024.
- Consideration will be given to all eligible candidates. However, these awards are intended for more senior students, ideally in their third or fourth year.
- Graduate fellows in laboratories that currently host a Kavli Graduate Fellow in the first year of their appointment are ineligible to apply. This means members of the Friedman lab are not eligible to apply this cycle.
- Current or former Kavli Graduate Fellows are ineligible to apply.
- If a candidate previously applied to the Kavli NSI but was not offered a fellowship, they are eligible to re-apply.

Postdoctoral Fellowship *(2-year award; 2 available)*

- These are two-year appointments beginning on July 1, 2024.
- Selected candidates will join the Kavli NSI Steering Committee and will receive flexible research funds in the amount of \$10,000 per year and full salary support plus benefits at a level set by the laboratory head in accordance with university guidelines for postdoctoral compensation.
- To be eligible to apply, candidates must hold (or plan to hold by July 1, 2024, or shortly thereafter) a postdoctoral appointment in a Kavli NSI

member lab or a fellowship appointment in the Center for Studies in Physics and Biology.

- Consideration will be given to all eligible candidates. However, these awards are intended for more senior postdocs, ideally in their third or fourth year.
- Postdoctoral scientists in their fifth year of training at Rockefeller University are ineligible to apply.
- Research Associates are ineligible to apply.
- Postdoctoral scientists in laboratories that currently host a Kavli Postdoctoral Fellow in the first year of their appointment are ineligible to apply. This means members of the Bargmann and Ruta labs are not eligible to apply this cycle.
- Current or former Kavli Postdoctoral Fellows are ineligible to apply.
- If a candidate previously applied to the Kavli NSI but was not offered a fellowship, they are eligible to re-apply.
- Kavli Postdoctoral Fellows are not permitted to hold concurrent fellowship appointments. Selected applicants must forfeit any other fellowship appointment upon the start of their Kavli NSI Fellowship.

To Apply

- **Applicants must apply online here:**
<https://kavli.rockefeller.edu/fellowapp/>.
- Applications must be submitted online no later than **March 11, 2024**.
- Nomination by a Head of Laboratory is not necessary. However, all lab heads will be contacted to verify their support of submitted applications.
- No more than one postdoctoral fellow and one graduate fellow will be appointed in any one Kavli NSI member laboratory each year. However, there is no limit to the number of applications each laboratory can submit.
- Applications will be reviewed by members of the Kavli NSI Steering Committee. Applicants will be notified of award decisions by May 31, 2024.
